

Gale Alexander
For State Representative

860-354-9400

For Immediate Release

If shoe leather could win elections, Gale Alexander would definitely be a "shoe in". Alexander has set an ambitious goal of 3,000 doors knocked by election day. He's well on his way having cleared 1,000 as of Sunday. Says Alexander, "I want my neighbors in New Milford to know that I'm willing to listen to them and to work for them. In fact, I'm pledging to spend time once a week going door to door or calling constituents after I'm elected. The voices you hear in Hartford are politicos; lobbyists, other representatives or senators, the governor and other elected officials. I think it's necessary to get out of that feedback loop to be effective."
