**Alexander Knocks 2,000th Door**

Like the Energizer Bunny, Gale Alexander keeps going and going and going. Having now knocked on over 2,000 doors, Alexander says he is well within reach of his goal of 3,000 doors before Election Day. "I believe that it's important to know what your constituents are thinking, what their needs and concerns are", Alexander stated. He renewed his pledge to be in direct contact with his constituents at least one day a week after being elected. "Many voters remark that I am the only elected official that has ever bothered to contact them.", Alexander remarked.
